About ICAEW

ICAEW is a world-leading professional membership organization that promotes, develops and supports over 147,000 chartered accountants worldwide. We provide qualifications and professional development, share our knowledge, insight and technical expertise, and protect the quality and integrity of the accountancy and finance profession.

As leaders in accountancy, finance and business our members have the knowledge, skill and commitment to maintain the highest professional standards and integrity. Together we contribute to the success of individuals, organizations, communities and economies the world.

ICAEW is a founder member of Chartered Accountants Worldwide (CAW), an international network of professional bodies who work together to promote the chartered accountant brand. CAW now comprises nine member bodies, representing over 620,000 members and approximately 1m students worldwide.

ICAEW is a founder member of the Global Accounting Alliance which represents 800,000 members in 180 countries.

ICAEW is the only professional accountancy organisation to be a member of the World Economic Forum.

The value of the ACA qualification, globally:

- 85% of the FTSE 100 have a Chartered Accountant in the position of Chair, CEO, CFO or on the Board *

The Certificate in Finance, Accounting and Business (CFAB) provides essential knowledge that can be used in any industry or financial arena.

Who is it for?

- Anyone considering a career in finance or accountancy, or is looking for an introduction to what the ACA qualification is like.
- Anyone who wants to gain a general knowledge of finance, accounting and business.

What's involved?

Six modules (these are the same first six knowledge modules of the ACA) :

- Business and Finance
- Management Information
- Accounting (compulsory)
- Law
- Assurance
- Principles of Taxation.

Credits may be awarded for prior learning, although no formal academic qualifications or prior knowledge is required.

Benefits

- Provides essential knowledge of finance, accounting and business.
- Flexible learning and computer-based assessments that fit around existing study and work commitments.
- Free e-membership of any one of our leading faculties.
- Access to a wide range of study resources including the ICAEW online student community and exam resources.
- A potential entry route into accountancy (on successful completion).

Develop the skills with CFAB to stand out with ICAEW's toolkit full of resource.
